You will need to have a small selection of bisc fired pots to fire on the day. Items should not be too heavy or wobbly, as removing them from the kiln is hazardous. Earthstone Handbuilding, Crank clay, and white St Thomas are all suitable for Raku, but you may suffer breakages in any case. Some forms are less suitable for Raku than others. Items that are unsuitable will NOT be fired. If in doubt, please contact sarahj.partridge@virgin.net.

I have simple bisc fired pots available at £4 each, but please let me know if you require these at least two weeks prior to your course, so that I have adequate stock. I would suggest 6 or 7 pieces for 1 day.

Suitable clothing should be worn, i.e. enclosed shoes (no sandals) old clothes, not loose or flowing.

For postal bookings, please enclose your payment with this booking form, cheques made payable to Sarah Partridge. BACS payment details available upon request. Your booking will be confirmed via email, upon receipt of payment.
